## Community Meetings

Over 35 interested parents and grandparents attended a Community Meeting in San Martin on July 25. They came away shocked and energized!

## Cast an Informed Vote!

The IPSV Voter Guide will be distributed on October 4, 2022. If we have the address at which you are registered to vote and an email address to which we can send the IPSV Voter Guide, IPSV will prepare a Voter Guide specifically designed for your ballot.

Every candidate for school board, city council, mayor (if applicable), and county supervisor will be sent a questionnaire seeking their positions on issues that concern parents and grandparents.

The IPSV Voter Guide is a great tool to help in the identification of Common Sense candidates and office holders.

Please forward this email to your friends and family. It is not too late for them to visit the IPSV website, [www.ip-sv.org](http://www.ip-sv.org).

*"In this present crisis, government is not the solution to our problem; government is the problem. From time to time we've been tempted to believe that society has become too complex to be managed by self-rule, that government by an elite group is superior to government for, by, and of the people. Well, if no one among us is capable of governing himself, then who among us has the capacity to govern someone else?"*

-Ronald Reagan
