Volume 1 Edition 1

Greetings friend!

The Informed Parents of Silicon Valley Newsletter is here!

Our staff and volunteers are excited to bring you the first of many IPSV newsletters!

Informed Parents of Silicon Valley (IPSV) came into existence in September of 2021. Since then, our progress has been nothing short of striking! Our website, www.ip-sv.org, is here to serve you with information and provide opportunities to help. We have launched our informational Home Meetings.

Freedom of Information Act (FOIA) requests have been sent to each school district in Santa Clara County to determine what our children and grandchildren are being taught in their schools.

IPSV representatives have made presentations to numerous churches and community organizations. We are adding contacts daily to our IPSV database. This will allow distribution of our November 2022 Voter Guide and our newsletter to an even larger number of parents and grandparents.

Our community on Instagram is growing. Our Facebook page is active. We continue to add content to our blog. An office where volunteers and staff can serve you is open and functioning.

Yes, we've accomplished quite a bit in just over eight months! And we are just getting started!

Our IPSV Voter Guide, which will be published before the November election, will focus on local, non-partisan offices including school boards, city councils, mayors, supervisors, as well as ballot measures.

For our voter guide to be more effective, we need to add to the number of those registered with [IPSV](#) ensuring that everyone will receive our voter guide and newsletter. Please... forward this newsletter to friends, family, and persons you think might wish to know what is happening in our schools!

(If this newsletter was forwarded to you, please take a minute to [click here](#) to receive your personal email.)

WE NEED HELP!!

Our most urgent need is a team of concerned moms, dads, and grandparents who will act as school coordinators. School coordinators are parents or grandparents who will help facilitate the scheduling of home meetings and monitor the curricula in their school's classrooms.

If you wish to learn more, or sign up to be a school coordinator, let us know by [clicking here](#).

Lastly, we need to keep the lights on! Can you help with a \$25, \$50, \$100, \$250 or more? Our promise is to use your gifts prudently to help our children. Please [click here](#) to make a gift.

Our Newsletter publication schedule is twice monthly.

Watch for our next IPSV Newsletter!
