SILICON VALLEY

## Newsletter

Volume 1 Edition 2

Greetings friend!

The Informed Parents of Silicon Valley Home Meetings continue!

The Home Meeting calendar is filling. Home Meetings are designed to bring parents and grandparents up to date on just what our children are taught in their local school.

Home Meetings are simple and straightforward. Five or more families gather at a friend or neighbor's home, a YouTube video supplied by IPSV is displayed on the television screen in the home. The host or hostess may choose to serve refreshments. A quick attendance sheet will be passed around.

Hosts/hostesses need not be familiar with the topics. No discussion is planned for the meeting unless the host/hostess desires.

Emails from IPSV give information to the host/hostess on suggested invitations, how to stream the video, meeting agenda, and other general information.

If you would like to host a Home Meeting, [click here](#) to reserve a date.

**Schools**. There are 34 traditional school districts (non-tech or vocational) in Santa Clara County. We are earnestly seeking school district coordinators for each district. Additionally, there are 357 elementary, middle, and high schools in Santa Clara County. We are seeking school coordinators for each school.

### **Can You Help!?**

District and School Coordinators are asked to monitor curricula relative to Critical Race Theory (CRT) and Comprehensive Sexuality Education (CSE) in classes. School coordinators are asked to keep an eye out for parents wishing to host a Home Meeting. [Click here](#) if you'd like to find out more.

Our IPSV Voter Guide, which will be published before the November election, will focus on local, non-partisan offices including school boards, city councils, mayors, Board of Supervisors, as well as ballot measures.

For our Voter Guide to be effective, we must add to the number of those registered on our website. We wish to ensure that every interested family will receive our voter guide and newsletter.

Please... forward this newsletter to friends, family, and persons you think might wish to know what is happening in our schools! Check out our website [www.ip-sv.org](http://www.ip-sv.org)

### **WE NEED HELP!!**

We rely on volunteers where possible. A local church has generously given us free office space; however, it still costs to

keep IPSV growing and relevant! Just our Home Video, which should spark needed growth and reveals the indoctrination our children receive in our Valley schools, cost over \$10,000 to create, record, and produce.

Can you help with a gift of \$25, \$50, \$100, \$250 or more? Our promise is to continue to use your donations prudently and wisely. Please [click here](#) to make a gift.

Our Newsletter publication schedule is twice monthly.

If you wish to comment or ask a question, please contact us at [info@ip-sv.org](mailto:info@ip-sv.org)
